

PWA coming to Wichita!

SATELLITE TRAINING SESSION @ Maize HS

The training session will be held on the **FIRST Sunday of every month**, Tony Purler (director of Purler Wrestling Academy; 2X Tulsa Nat'l champions) is in charge of the session, held at Maize HS. The monthly satellite session will be drill intensive and highly organized, with each workout progressing from the prior session. Only sound technique from his system will be covered (no clinic moves). **All are encouraged to approach these sessions as an important addition to their son's current training regimen.** All athletes are encouraged to attend the monthly session, learn these key techniques and positions, and then go home and perfect it in preparation for the next month. Do this, and you will see a greater improvement in your son's wrestling than in all the years combined. This is how this year-round training session can be used as an **important tool** in your sons wrestling career, and why we feel the whole concept of a monthly clinic/training session is a great idea.

Our system of training young athletes has a proven track record; and due to demand, we have developed these satellite locations to accommodate those unable to attend our current locations.

Sessions: 9-12. (lunch 12-1pm, bring own) 1-3:30pm

Fee: \$50

Maize HS; 11600 W. 45th St. North 67101
